Recent Employment History

Manager, Badlands Paintball, 2018

Developed new ways for the company to attract customers, worked with customers to find out what the wanted and developed strategies based off the information I gathered.

Sales and Customer Service, Badlands Paintball, 2017-2018

Improved customer retention and purchase amounts by using honest and informative sales tactics. Developed personal relationships with customers that helped to bring them back to the store more frequently.

Sales and Customer Service, The Source, 2016-2017

Held top consumer electronic sales in the store for most of my employment, regularily selling $10,000+ in CE per month, top ten in sales for our district.

Education

Web Developer Certificate, SAIT, 2019
